

## **Curricular Focus & Employment**

**Respondents were asked to describe the areas of employment that their students occupy after successful completion of their program, as well as some of the specific kind of jobs that graduates have gone on to.**

**Note: Most respondents indicated that they did not consistently “track” their graduates.**

### **Jobs that Program graduates have gone on to occupy:**

- Several noted that many students are already employed and are being sent/sponsored by their employer. e.g.: Bureaucracy, Government, Private practice, mediators
